

# Solomon's Sluggers

**It's JUST THREE WEEKS Away until Opening Day, on Sunday, March 30th, BUT It's Still NOT Too Late to Sign Up!**

Dear Students & Parents:

Although it is still cold outside, soon enough the air will warm (at least that is what the weathermen tell us), the days will get longer, and Spring will be here before we know it. And Spring is the time where everyone normally starts to think about..... **Baseball!** That is **Solomon's Sluggers Baseball**. We have had very successful seasons the last few years and plan for more great fun this coming Spring. We hope you will join us!

Once again this Spring we are going to run our Sluggers' program on a league basis. With this type of program, we will form teams and play scheduled games. However, in order for this style of program to be a complete success, we need your help with two important matters:

- Enclosed is the Sluggers' Registration Form. Please fill it out and send it in as soon as possible so that we will be able to get you on a team and order and sort through uniforms and equipment before the start of the season.
- In order to be able to form teams, we still need **parents to volunteer to act as Assistant Coaches** (we already have all of our adult volunteer Coaches lined-up, but we still need more Assistants). The rewards are great, so **please volunteer and help out our kids!** We especially need parents of our older players (third grade and up). We are also looking for young men and ladies in Middle or High School to assist in our program as **Junior Coaches**.

Our Solomon's Sluggers program, which is open to all children from Kindergarten through 5th grade (including your friends who may not go to our school), is scheduled to begin on Sunday, March 30th, and run every Sunday through June 15th (we will only take off the Sundays of April 20th and 27th, for Passover, May 25th, for the Memorial Day weekend, and June 1st, for those who will participate in the "Israeli Day" Parade). **All games are played at the Solomon Schechter Day School of Nassau County (in Jericho), where each session is scheduled to run from 10:00 to 11:30 AM, with the fields opening at 9:30 AM for practice.**

Our tentative Spring 2008 schedule is as follows:

**The Solomon's Sluggers 2008 Schedule:**

<b>March 30</b>	<b>April 13</b>	<b>May 4</b>	<b>June 8</b>
<b>April 6</b>	<b>May 11</b>	<b>May 18</b>	<b>June 15</b>

**After the June 15th games, we will have our Annual Trophy and Pizza Party!**

Your 2008 registration form is attached. **The fee is for our program is \$90 per child.** The sooner we get your registration the greater the chance you will receive your uniforms by our **Opening Day, which is only THREE WEEKS AWAY, on Sunday, March 30th.** To save yourself some frustration and help us plan our season better, please get in your registrations as soon as possible!

I thank you for your cooperation. If there are any questions, please feel free to call me at 516-485-3637.

Sincerely,

David Lelonek  
Operations Director (OD)
