

**Photo Montage of Schechter Children  
A Priceless Memory of The Schechter Year  
For Sale At \$18 Per Copy**

Peter Tannenbaum, a Schechter parent, created a very special tribute to our school and more importantly the children who attend our school. It is a wonderful photo montage of Schechter students from our elementary, middle and high schools that was produced specifically for the **Light The Way Dinner Dance: Illuminate the Path For Our Children** on May 12<sup>th</sup> .

The CD premiered during the dinner dance and was so wonderfully received that several parents have inquired about purchasing a copy. Therefore, the Development Office is now offering the CDs at a cost of \$18. If you would like to reserve a copy, please call Yvette Bergman at 516 656-5500 ext 1220 or email [ybergman@ssdsnassau.org](mailto:ybergman@ssdsnassau.org)
